A genuine desire to empower all those involved in ophthalmic surgery

HASA OPTIX holds a genuine desire to empower all those involved in ophthalmic surgery - with precision performance, procurement reliability and patient quality of care always at the forefront of our approach.

We design and manufacture premium, single-use, and fully recyclable ophthalmic instruments for both anterior and posterior segment surgeries.

Made of stainless steel, our exceptional precision instruments are supplied in recyclable pre-packed pouches relevant to each ophthalmic procedure. This not only ensures all surgeons have peace of mind regards sterilization and reliability, but also provides a cost controlled, simplified procurement and repository solution.

We are passionate about eliminating cross contamination and reducing risk management whilst increasing efficiency, convenience, and reliability.

Our innovative solution provides total peace of mind, confidence, and satisfaction.

What Sets Us Apart?

Quality improvement and cost-savings are of great importance in healthcare in general and in ophthalmic surgery. Hospitals, more than ever, must face the challenges of working profitably and obtaining optimum quality at the same time. In a changing world, we believe there are new ways that will allow to facilitate work of all stakeholders involved in ophthalmic surgery, allowing a higher pharmacoeconomic value.

PREMIUM QUALITY

Premium quality disposable recyclable instruments offering the same constant quality as reusable instruments but with increased convenience and efficiency.

SIMPLIFY

Our pre-packed pouches help reduce the number of SKUs, contributing towards a simpler, more efficient repository solution.

COST CONTROL

HASA OPTIX instruments provide the ideal procurement solution by aiding the precise calculation of surgery costs.

PEACE OF MIND

Our innovative solution provides total peace of mind ensuring the correct surgical instrumentals are easily accessible.

INFECTION CONTROL

Our single use and pre-sterilized instruments ensure all surgeons can be confident with their patient safety of care.

ENVIRONMENTALLY FRIENDLY

Supplied in recyclable pre-packed pouches relevant to each ophthalmic procedure, helping to reduce waste and environmental impact.

Important Information:

Individual instruments are supplied in a box of 10 pcs, unless otherwise specified.

Instrument sets are supplied in a box of 10 sets, unless otherwise specified.

When **MOQ** is indicated, it signifies that the MOQ for that SKU is 1000 pieces.
